Family Life Program- Grade 5

11th October 2013
Dear Parents,

The Grade 5 children will be starting Family Life sessions. These sessions will run on three consecutive Tuesdays on November 12th, 19th and November 26th with each session being 50 minutes in duration.

The program has been designed by professionals to address the physical, emotional and social changes related to puberty. Reproduction is also discussed in a simple, straightforward, sensitive manner, providing opportunities for the children to discuss these issues in an informed forum with their peers. We hope that the issues that are raised in these sessions are brought home to you and that you are able to reinforce and clarify the concepts that are raised by the Family Life Educators.

We are offering a parent information session for parents of students taking part in the Family Life sessions. At this session you will meet the presenter of the program, Shirley Kennedy. This session will take place at school on Wednesday 6th November at 7.00 pm in the Staff Room. We strongly encourage parents to attend this session.

The cost for the three sessions of the Family Life Program was covered in the 2013 Bulk Billing of excursions. If you have not paid Bulk Billing, an invoice is attached.

Could you please complete the form below to indicate your permission for your child’s participation in this activity and return by Friday 1st November to your child’s teacher.

Thank you,
Rita Vitelleschi, Winter Dunstone & Luisa Rinaldi
