**SHOUTING OUT for Donations!**

There are so many ways in which every family can assist toward our Mega Fete. Many people are happy to be 'hands on' whilst some like to work behind the scenes. We are happy to accept ALL assistance.

Our Mega Fete will see a few **NEW Stalls** introduced and we are sure these Stalls will interest our Families and Public alike!

Now is the time to start making, collecting, planting etc—so please read below and see if you are able to help, donate or collect for us!

Over the coming weeks we will be adding to the things we need—so if you can't help now, keep watching!
