

<https://sentral.glenkps.vic.edu.au/portal2/#!/login>

As mentioned in the linkletter we are using the **Sentral Parent Portal** as our main means of communication with families this year.

On this site you will:

- receive information and reminders.
- provide consent for your child/ren to take part in a range of excursions and activities. No permission – NO GO!
- request time/s for parent/teacher conferences.
- access academic reports.

You **MUST** use your unique FAMILY KEY CODE to register. If you cannot find this 'KEY CODE' (which was distributed last year to returning families – or this year to new and Foundation families) please contact the office.

It is **IMPERATIVE** that parents log in and register into this **WEBSITE** BEFORE THE END OF FEBRUARY. The app is currently undergoing issues so just register for the website. You can link the app at a later date.
