PRINCIPAL'S NOTES:

WELCOME TO THE 2015 SCHOOL YEAR

Welcome everyone to the 2015 school year at GK! Hard to believe, but another school year is underway. It’s always great to know that our students, staff and families have returned safely from the holiday period. A very special welcome to the many new students, families and staff who join GK for the first time.

We had an extremely smooth and orderly start to the school year last Friday with all of our students in grades 1-6 returning with smiles on their faces and plenty of enthusiasm for the year ahead. Everyone has settled into their new class routines quickly and the scene is all set for a terrific year ahead.

On Monday, this week, a very excited group of Prep students commenced school for the first time and what an exciting day they had too! I’m sure some of our Prepies (and parents) thought the day would never eventuate, such was their level of excitement and enthusiasm! Special thanks to our Parents and Friends Welcome Committee for providing a welcoming “Cheers & Tears” morning tea which I know was appreciated by those able to attend.

A big thank you also to parents for doing a great job of making sure that your children have returned with their book bags, water bottles, hats, correct uniform and other items necessary for school. Well done on your organisation!

I also pass on my appreciation and thanks to a fantastic staff team effort that has enabled such a smooth start to the year. Since the last school day in 2014, many staff have continued to be in and out of the school ahead of their official return date which was Jan 28th. Staff planning and organisation is to be commended, the results of which have been seen since day one last week. Thank you!

PARENT COMMUNICATIONS

In the early part of a new school year, there is a lot of information that we need to get out to parents. The information is intended to inform you, not overwhelm you! For some of our families, information will provide some welcome reminders, for others the information may be entirely new. Some information will be for reading only, whilst in some cases, parents will need to respond by signing and returning a notice to school.

The online weekly Linkletter and our website will always be two primary means of getting information out to our families. So too our new electronic sign at the front of the school. For the parents who have subscribed for email notification of Linkletter uploading to the website, then we occasionally send out emails regarding event reminders. Paper notices and information will also be distributed from time to time too. We’re also investigating apps that could be used to push information electronically to parents also, preferably an app that is compatible with QKR that we already use.

Currently we’re getting together paper information packs which will be distributed to all families at the end of next week. Rather than send out a raft of information day by day, we’ll be distributing a number of items including a grade information booklet along with some other parent information bulletins in one pack so look out for this please and do take some time to read everything.

STAFFING UPDATE

We welcome several new staff members Shirley Borg (Student Wellbeing and Engagement), Amy Proberts (4), Daniel Boulton and Aimee Deacon (5) and Bianca Perry (2). Louise Ramsdell also joins the admin team so welcome Louise! Regrettably, our Music teacher Loretta Simmonds accepted a position at Hazel Glen College on the last day of term 4 so we thank Loretta for the great job she did in Music at GK and we wish her well in her new position. We welcome and thank Kate Whelan who has stepped in to take Music classes at GK for the time being.

EXTREME HOT WEATHER

Please refer to an article on the home page of our school website. It seems there is still plenty of hot weather ahead of us and of serious concern are those days when the weather is predicted to be extreme and or catastrophic. Please check the website for further information.

SCHOOL SHOES -
It’s great to see so many students wearing shoes that meet uniform requirements. A reminder to parents though as we’ve noticed some fluoro laces and non compliant shoe colors.

1. Shoes need to be predominantly **BLACK, BLUE, GREY or WHITE** with **shoelaces in any of these same 4 colors**. Shoes may have other color/s BUT the predominant color/s have to be those listed. It is not OK to wear fluoro shoes and/or fluoro laces.

2. Shoes must be substantial and provide adequate support to the foot. Light weight canvas type shoes are not considered suitable.

SUNHATS -
Students must have their GK sunsmart hat ready to begin the school year in 2015. The ‘NO HAT, NO PLAY’ rule operates from September through to April so please make sure those hats are in school bags and ready to be worn on the first day of school. Also, **hats should be in good condition please without frayed edges and graffiti free.**

NAME EVERYTHING PLEASE -
Personal items of clothing, hats, school bags, lunch bottles, water bottles, books etc. all need to be clearly named from day 1 please.

POLICY STATEMENT – SCHOOL UNIFORM

PHILOSOPHICAL BASIS
Wearing School Uniform fosters pride in the school and unifies the students from various social backgrounds into a cohesive school unit.

GUIDELINES
1. The wearing of school uniform is compulsory for all students except where exemption is given by School Council.
2. The acceptable school uniform should consist of a combination of items from the designated uniform list. Any modifications to school uniform other than adjustment for proper fit are unacceptable.
3. Students participating in interschool sport and excursions will wear the appropriate uniform.
4. All Grade 5 and 6 Sporting Teams will be expected at lunch to change back into their school uniform prior to the start of session 4.
5. The majority of school uniform items should be available for purchase from the volunteer-operated Uniform Shop.
6. Second Hand Uniform Shop
   a. A second hand uniform shop should operate to enable parents to sell or buy good quality used items of school uniform.
   b. The second hand uniform shop should be operated by the PFA and the commission earned on the sale of garments should contribute to the fundraising of the PFA.
7. Arrangements can be made to supply uniforms via State Schools Relief for families experiencing economic hardship.
8. A special jacket for the Grade 6 students will be available for purchase each year.
9. Guidelines relating to out of uniform days will be published in the Linkletter prior to the event.
10. Hats
    a. Wearing a hat (as prescribed in the uniform list) for all outdoor activities is compulsory from September to April each year unless the activity is conducted in a shaded area.
    b. Hats are not to be worn inside.
11. Hair
    a. Hair should be neat and well groomed at all times.
    b. Hair which is shoulder length or longer should be tied back at all times in line with our Head Lice Management Policy.
    c. Extreme hair colors and styles are not acceptable at any time including special out of uniform days.
12. Accessories
    All hair accessories should conform to the colour scheme prescribed in the uniform list. (navy blue, royal blue, pale blue and white)
13. Scarves should conform to the colour scheme prescribed in the uniform list.
14. Fashion jewellery (including plastic wrist bands) is a health hazard during any physical activity and should not be worn to school. Stud earrings in pierced ears are an exception.
15. Make up and coloured nail polish are not to be worn except for approved school activities.
16. All shoes should be selected to conform to the description in the uniform list and all shoe laces should match shoe colours.
17. Teachers will hand out a Student Uniform Infringement Notice when incorrect school uniform is worn. If the issue is ongoing then teachers need to speak to the Principal/Assistant Principal for follow up.
18. Parents are recommended to purchase school back packs that are endorsed by the Australian Physiotherapy Association in order to minimise the risk of back injury to students. School back packs with our school logo which meet these guidelines are available from the uniform shop.
19. The School Uniform list will be published in the newsletter at the start of each year and be available in both the Parent Section of the school website and from the office.
20. Monitoring of Policy
   a. The monitoring of the School Uniform Policy should be the responsibility of the Uniform Sub-Committee with the day-by-day decisions to be at the discretion of the Principal.
   b. In the event of conflict the School Council should be the arbiter.
   c. The Uniform Sub-Committee should be accountable to the School Council.
21. Enforcement of the Uniform School Policy is the responsibility of the principal and supported by staff.
PEDESTRIAN SAFETY

SCHOOL CROSSINGS

Please use the crossings as directed by the crossing supervisors. Set the right example and don’t be tempted to walk with your child/ren directly across the road instead of walking a bit further and crossing safely. This also includes not taking short cuts across the roundabout or across the school carpark entrance and exit driveways.

We are very appreciative of the great work done by our Calendonia Drive School Crossing Supervisors Michelle and Tracey. Making sure that pedestrians cross the road safely is not an easy task. Road safety is the responsibility of all users—drivers, passengers and pedestrians and the crossing supervisors are there to provide assistance to those needing to cross a busy road at a busy time of day. Always show courtesy and respect please and importantly, just do the right thing.

STREET PARKING

Please take notice of the parking restrictions in Calendonia Drive and nearby streets. You will be booked if a Bylaws Officer notices you doing the wrong thing.

PLEASE READ THE PARKING RESTRICTION SIGNS CAREFULLY to avoid being booked.

SCHOOL/STAFF CARPARK

The carpark is only able to be used for a 2 minute pick-up or drop off (ALONG THE DOUBLE YELLOW LINES ONLY). Parents/grandparents are advised that the carpark is not to be used for parking and walking students to/from classrooms. Where it is observed that parents are parking their cars in the carpark, there will be follow up. We are a large school and need all of the parking spaces for teachers, non teaching staff, and others who visit the school on school business (tradesmen, psychologists, speech pathologists, pre-service teachers etc.) We have a number of part time staff who have different start and finish times so spaces need to be available for the parking needs of all staff and school business visitors.

Further information regarding how the pick-up and drop off zone works can be found on our website (About Us / Facilities & Grounds / Pick-up and Drop-off Zone). When drivers follow the rules, the pick-up and drop-off area generally runs as safely and smoothly as possible during the busy peak 15 minutes period prior to and after school.

St HELENA COLLEGE CARPARK

Please note that the College carpark is only for the use of college staff and students. A number of their students are also drivers so the college needs all parking spaces to be available for their use.

Hoping for everyone’s cooperation please …. Jill Ramsay

School Banking is coming soon!

Glen Katherine Primary School will be participating in the Commonwealth Bank School Banking program. The School Banking program is designed to teach children a life skill of saving. School Banking also includes a fantastic Rewards Program to encourage good individual saving habits.

Look out for further information coming home in Term 1.

Students will have the opportunity to try out in basketball, volleyball, cricket, bat tennis or rounders (girls only)

Interschool Sport commences the following Friday 13th February.

Please refer to the PE Blog or GK website for more information re Sport guidelines, organisation and expected Codes of Conduct.

DAVID BLACKBURN
**News from the School Community Garden**

First off – a big THANK YOU and “brrrrkkk brrrkkk” to all the families who took care of the chickens over the summer holidays! Not only did they get to have a run around and some company, but our community school garden got watered and we haven’t lost any trees which is wonderful. It also added some security to the lower end of the school, and because of this Heather was able to let us know that there had been a break-in and some vandalism in the propagation shed……yes all the seeds we had collected and propagated had been overturned and thrown on the ground! However, perseverance prevailed and with some dedicated staff, we were able to save a lot and have now got new growth.

So to Heather and Rachel, Angela and Sebastian, the Weightman, O’Loughlin and Allen families THANKS AGAIN. To Jill Ramsay, Sally Armstrong, Sandra Embling, David Blackburn, Heather and Rachel and my own family – thanks for helping out with our little working bee down in the propagation shed! To Scott Matthews, thanks so much for the brilliant installation of the solar panel on the chook shed roof – which now means that the chook hatch is powered by the sun rather than having to constantly replace batteries.

Flappy-bird, Chickzilla, Nugget and Brave are very happy to have students back at school and have some company. **MONDAY** lunchtimes we will continue to have our gardening club when activities will be taking place down in the Community School Garden. All students are welcome! We will continue to have a chook committee doing crowd control on other days.

Some new green school yards bins will be put out in the schoolyard in coming weeks. These will be for FOOD SCRAPS ONLY and taken back down to our garden area each afternoon and emptied. If you think you would have 20 minutes at the end of the day to help with the composting please let me know. **I will be looking for adult assistance on:**

- **Monday afternoons**
- **Tuesday afternoons**
- **Wednesday afternoons**
- **Thursday afternoons**
- **Friday afternoons**

It would just be a matter of getting out any chook scraps such as bread, greens etc and putting the rest of the scraps into the compost bins. Toddlers are more than welcome to come down and “assist”.

And remember, all visitors are welcome to come down and enjoy our Community School Garden at anytime – especially if you have toddlers who want to see the chooks at the end of the day! Spotted marsh frogs have continued to breed in our gully pond throughout summer and we have a small family of Tawny Frogmouths who have made the area their home! They are very hard to spot – so keep our eyes open and looking UP!

Finally – if you would be interested in joining our list of families on the chook duty roster please let me know. It’s really easy!!

**Cheers, Annemarie Webb – Sustainability Coordinator and Science Coordinator**

VOLUNTEERS  - ADOPT A STALL
WOW we have just filled another 20 hours of Volunteer Hours – that’s AWESOME! We still need all families to participate – so PLEASE complete your Adopt a Stall form and indicate when you can assist with your CLASS STALL. Every little bit helps and our Stall Co-ordinator’s appreciate what you can assist with!

AUCTION ITEMS
We need to finalise our AUCTION PRIZES in the next week, so if you have any items suitable for the Auction please let us know ASAP so we can start printing. Remember the value of the goods may also entitle you to sponsorship recognition. We are grateful to those families that have already supported our Auction.

GRADE LEVEL DONATIONS
This year we have split the donations request list into grade levels. Please take note of the items we are requesting from your year level and keep an eye out for bargains while you are shopping. We are requesting:

| Prep       | Block of Chocolate & White Plastic Plates (not Bowls) |
| Grade 1    | Block of Chocolate & Serviettes, Paper Towel or Cling Wrap |
| Grade 2    | Block of Chocolate & Nail Polish/Coloured Hair Spray |
| Grade 3    | Block of Chocolate & Wrapped Lollies |
| Grade 4    | Block of Chocolate & Prima Juices (6 Pack) |
| Grade 5    | Block of Chocolate & Tomato/BBQ Sauce |
| Grade 6    | Block of Chocolate Arrowroot / Marie Biscuits |

CHOC-A-BLOCK CHALLENGE
The challenge has begun! Every time someone from your grade brings in a block of chocolate, a raffle ticket will be placed into the entry box in the office. One lucky ticket will be drawn out just before the fete and that grade will receive a hot chip lunch after the fete. The more entries your grade has – the better your chances are of winning! All chocolate is used on our CHOC TOSS STALL.

PERFORMERS/DEMONSTRATIONS WANTED
We are looking for people to entertain our visitors. If you are a member of Dancing Troupe, Tai Chi, Tae Kwon Do Group etc we would enjoy your participation.

Our Main Stage is also looking for Musical Performers to entertain our Café Patrons, if you would like to be involved please contact:

FETE MEETING –CO-ORDINATORS/VOLUNTEERS
