

Digital technology at Glen Katherine Primary School

Information for parents

Our commitment to the responsible use of digital technology

At Glen Katherine Primary School we are committed to building a culture of respect and responsibility. We show this in the way we use technology and interact online. We teach our students about responsible digital behaviours, including how to recognise and respond to online dangers and threats. We support students to develop the digital skills they need to make a positive impact in the world. We are intentional and discerning about our integration of digital tools into the curriculum, providing rich, interactive and personalised experiences, while ensuring a balance with offline learning opportunities.

What we do

	<p>We set clear expectations</p> <ul style="list-style-type: none"> We have clear expectations about appropriate conduct using digital technologies. Our Mobile Phone Policy outlines our school's expectations relating to students using mobile phones during school hours. We have clear and appropriate consequences when students breach these expectations, in line with our Student Wellbeing and Engagement Policy.
	<p>We teach appropriate conduct</p> <ul style="list-style-type: none"> We teach our students to be safe, intentional and responsible users of digital technologies, including age-appropriate instruction on important digital issues such as cybersafety and cyberbullying. [include any specific programs or approaches]
	<p>We partner with families</p> <ul style="list-style-type: none"> We work with parents and carers to understand the digital technology-related issues they are facing at home. We support them with information and tools that help.
	<p>We provide access to technology</p> <ul style="list-style-type: none"> We provide access to educational software for students to use. [list key software titles used by students, including department-provided software titles] We create student email accounts which are non-identifiable.
	<p>We supervise digital learning</p> <ul style="list-style-type: none"> We supervise students using digital technologies in the classroom, consistent with our duty of care. [if relevant, insert any software that is used to supervise devices] We use clear protocols and procedures to protect students working in online spaces.
	<p>We take appropriate steps to protect students</p> <ul style="list-style-type: none"> We provide a filtered internet service to block inappropriate content. Full protection from inappropriate content cannot be guaranteed, however, we have processes to report and act on inappropriate content. We may access and monitor messages and files sent or saved our network, if necessary and appropriate.
	<p>We appropriately manage and respond to online incidents</p> <ul style="list-style-type: none"> We work to prevent, respond, and learn from issues or incidents relating to the use of digital technology, including cybersecurity incidents, cyberbullying and risks to child safety. We refer suspected illegal online acts to the police.

Digital technology at Glen Katherine Primary School

How parents and carers can help

Learning about technology and its impacts doesn't stop at the school gate. Below are our suggestions for ways you can support your children to responsibly use digital technology.

	<p>Establish clear routines</p> <ul style="list-style-type: none"> • Talk to your child about expectations including when, where, and how digital devices can be used at home, ensuring these rules are age-appropriate and consistent. These can include: <ul style="list-style-type: none"> ○ Requiring devices to be used in a common area, such as a living room or kitchen ○ Setting up a specific area for charging devices overnight, away from bedrooms, to promote better sleep hygiene. • Be present when your child is using digital devices, especially for younger children who may not yet understand online risks.
	<p>Restrict inappropriate content</p> <ul style="list-style-type: none"> • Use built-in parental controls on devices and apps to help manage their device access and restrict inappropriate content, including apps and websites that are not suitable for their age group. • Consider restricting the use of non-educational apps and apps with addictive game mechanics (e.g. rewards, badges, limited exit options).
	<p>Talk about online safety</p> <ul style="list-style-type: none"> • Talk with your child about the importance of protecting personal information and recognising online scams. • Encourage your child to talk to you or another trusted adult if they feel unsafe online.
	<p>Model responsible and balanced technology use</p> <ul style="list-style-type: none"> • Encourage a healthy balance between screen time and offline activities, especially outdoor unstructured play and time with friends and family, face-to-face. * • Demonstrate responsible and balanced tech use in your own daily routine to set a good example for your child.
	<p>Work with us</p> <ul style="list-style-type: none"> • Let your child's teacher know about concerns you have regarding their technology use • Keep informed about what your child is learning at school, so you can help reinforce positive messages at home.

***Australia's physical activity and sedentary behaviour guidelines** include the following recommendations for children between 5-17 years-old regarding sedentary recreational screen time:

- no more than 2 hours of sedentary recreational screen time per day
- avoiding screen time 1 hour before sleep
- keeping screens out of the bedroom.

Support for parents and carers

To learn more about how to support the safe, intentional and responsible use of digital technologies at home, the eSafety Commissioner provides [resources for parents](#), and outlines available [counselling and support services](#).

Digital technology at Glen Katherine Primary School

[This section is only required if your school operates a BYOD program]

[Here you can include specific details about your school's BYOD program. Ensure information provided aligns with the department's [Parent Payments Policy](#) - See [Requesting Parent Payments for Digital Devices – One Page Overview.](#)]

Personal devices at Glen Katherine Primary School

Glen Katherine Primary School operates a Bring Your Own Device (BYOD) program. Parents/carers are invited to purchase or supply a device for their child to bring to school. We have made special arrangements with **[insert company name]** who offer discounted prices for the lease or purchase of devices for our students. **[Include only if relevant]**

Technical specifications for BYOD devices

To ensure smooth and reliable technology access and student support, we have set the following technical specifications for all personal devices. If purchasing or supplying a personal device to use at Glen Katherine Primary School please ensure that it complies with the following specifications:

- *[Specified device model/s]* *[Where no personal devices are allowed other than that specified by the school].*
- *[Recommended device model/s]*
- *[Delete if not relevant]* Students are welcome to bring an alternative device that meets the following device features:

Required device features:

- [Minimum processor model]
- [Minimum RAM]
- [Specific/minimum screen size]
- [Specific/minimum operating system]
- Minimum [X] hours of advertised battery life
- [Minimum storage]
- [Minimum wireless connectivity, e.g. Wi-Fi standard or bands, Bluetooth version]
- [Peripherals e.g. headphones, carry case, stylus]

Highly recommended device features:

- Screen protection
- Insurance
- Up-to-date antivirus and security software
- [Ports, e.g. microSD card, USB-A, USB-C, 3.5mm headphone jacks]

Behavioural Expectations – Personal devices

When bringing a personal device to schools, students must ensure that:

- it is fully charged each morning
- it is carried to school with appropriate care in a carry case and stored in lockable storage when not in use
- any physical device damage is immediately reported and if necessary, repaired
- it is clearly labelled with the student's name and class

Supports and services provided

Glen Katherine Primary School will provide the following technical support services for personal devices brought to school:

- Support to access software
- Connecting devices to the internet
- Providing student log-in credentials to access the schools network, including a school email account

Please note that our school does not have insurance to cover accidental damage to students' devices, and parents/carers are encouraged to consider obtaining their own insurance for their child's device.

Students, parents and carers who would like more information or assistance regarding our BYOD program are encouraged to contact **[insert name, number and/or email address]**.

Digital technology at Glen Katherine Primary School

For students

[This section describes expected behaviours when using digital technologies. It is recommended that teachers work through the expectations with students before the AUA is sent home for parent discussion and agreement.]

What we expect

Below are our expectations of students at Glen Katherine Primary School when using digital technologies.

<p>Be safe</p> 	<p>At Glen Katherine Primary School, we protect personal information and keep safe online.</p> <p>We do this by:</p> <ul style="list-style-type: none"> • Not sharing our password or using someone else's username or password. • Logging out of our devices when they are not in use. • Restricting the personal information we post online, including images and videos.
<p>Be respectful</p> 	<p>At Glen Katherine Primary School, we are kind and show respect to others when using technology.</p> <p>We do this by:</p> <ul style="list-style-type: none"> • Acting with kindness and never bullying others online. • Thinking about how our words might make others feel before we say or write them. • Only taking photos or recordings of others when they are aware and have given us permission to do so. • Seeking permission before sharing others' information online.
<p>Be responsible</p> 	<p>At Glen Katherine Primary School we are honest, handle technology with care and follow the school rules.</p> <p>We do this by:</p> <ul style="list-style-type: none"> • Handling devices with care. • Not interfering with devices, school systems, or other students' work. • Not downloading or using inappropriate programs like games. • Not using technology to cheat or steal, and always acknowledging when we use information sourced from others. • Turning off and securely storing our mobile phone during school hours. • Ensuring a healthy balance between screen time and offline activities at school.
<p>Ask for help</p> 	<p>At Glen Katherine Primary School we ask for help if we feel unsure or see something inappropriate.</p> <p>We do this by talking to a teacher or a trusted adult if:</p> <ul style="list-style-type: none"> • We feel uncomfortable or unsafe. • We see others participating in unsafe, inappropriate, or hurtful online behaviour. • We notice any damage to school technologies. • We need help understanding about a digital tool or how it can be used.

Support for students:

The e-safety commissioner's [eSafety kids](#) page has helpful information to help you stay safe online.

Digital technology at Glen Katherine Primary School

[This optional section can help students express their own ideas about the responsible use of digital technologies. It may be included as part of the final Acceptable Use Agreement sent home to parents for discussion.]

My ideas on safe and responsible online behaviour

Your task:

- Talk with your classmates and/or your parents about what safe and responsible online behaviour means for you.
- Write or draw your response in the boxes below:

Be safe - I protect personal information and keep safe online. This means I:

(write or draw...)

Be respectful - I am kind and show respect to others when using technology. This means I:

(write or draw...)

Be responsible - I am honest, handle technology with care and follow the school rules. This means I:

(write or draw...)

Ask for help - I ask for help if I feel unsure or see something inappropriate. This means I:

(write or draw...)

Digital technology at Glen Katherine Primary School

[This optional section records a student's commitment to the safe and responsible use of digital technology. It can be provided after working through the discussion points and the student's own ideas. Adapt to suit your school's needs, including the instructions below for if/how this agreement should be signed and/or returned to the school. For very young (e.g. Prep to Year 2) students, students with additional learning needs, or students facing language barriers, schools may remove or adapt this section].

Instructions

- Students are encouraged to speak with their parents or teachers prior to signing this agreement if they don't understand what it means, or if they have questions they would like to discuss.
- Complete the agreement, including parent/carer acknowledgement and return it by **[insert date]**.
- Completed agreements can be **[dropped at the front office/given to your classroom teacher/uploaded via the school's online portal]**.

Student Agreement

(Student name)

I understand and commit to uphold the expectations on me as a student at Glen Katherine Primary School when using digital technology.

I will do my best to:

- **be safe** to protect personal information and keep safe online.
- **be respectful** and kind to others when using technology.
- **be responsible** by demonstrating honesty, handling technology with care and following the school rules.
- **ask for help** if I feel unsure or see something inappropriate.

I will continue to learn about how to use digital technology in a safe and responsible way.

(Student's signature)

(Date)

Parent/carer acknowledgement

(Parent/carer name)

I acknowledge your commitment and will support you to safely use and learn about digital technologies.
